Fact Sheet

The perfect companion for needlework, embroidery, and cross-stitching. The StitchSmart 2 Stand™ features a strong jaw that securely holds your frame or hoop in place.

Its innovative swivel jaw system, combined with an adjustable mounting bar, supports hand-rotating wooden frames up to 66cm (26") without marking your work. Rotate your frame effortlessly through 360° to make tying off easy. Additionally, the adjustable clamp jaw accommodates embroidery hoops of all sizes as well as wider hand-rotating frames over 66cm (26"). Quick and easy to assemble in less than a minute - only 3 parts to put together.
