E35121

A4 PORTABLE LIGHTPAD

Features Sheet

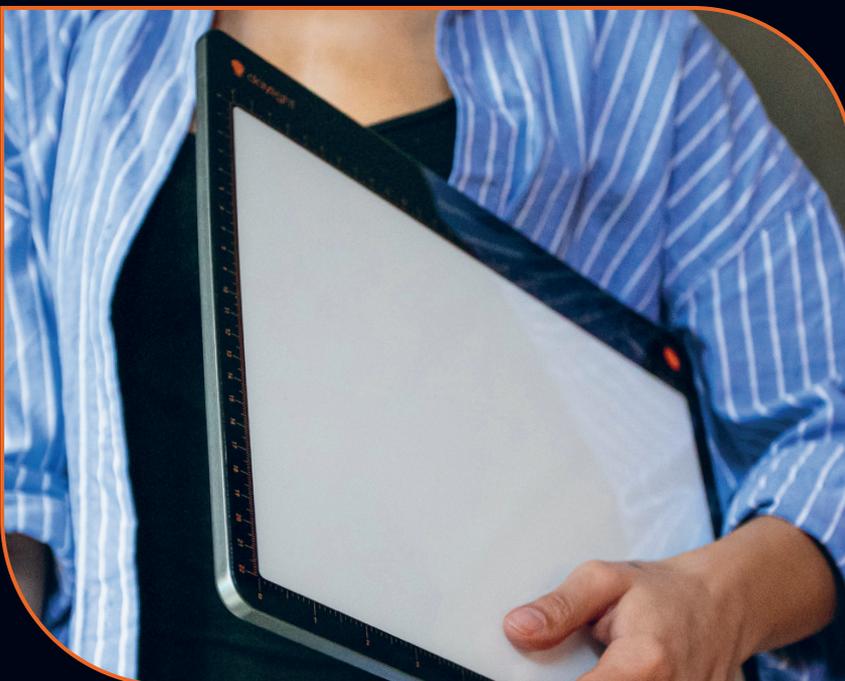

BATTERY LEVEL INDICATORS

LED indicators provide clear battery status, allowing effortless monitoring and reliable performance

RECHARGEABLE UP TO 5 HOURS

Cordless and USB-C rechargeable, providing up to 5 hours of continuous light for ultimate convenience

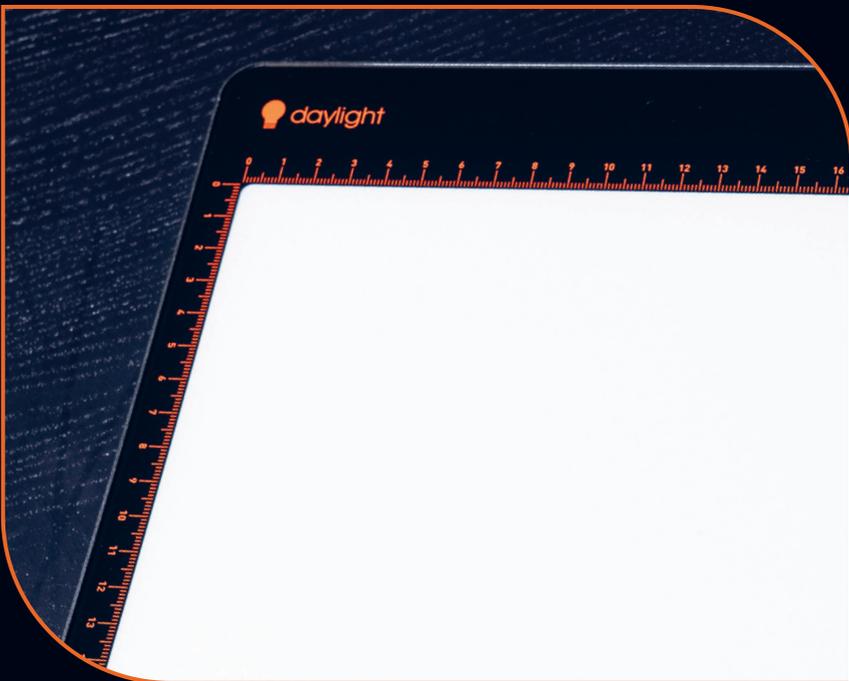

MAXIMUM DURABILITY

Premium aluminium casing with non-scratch tracing surface (A6 hardness) offers superior strength and resilience

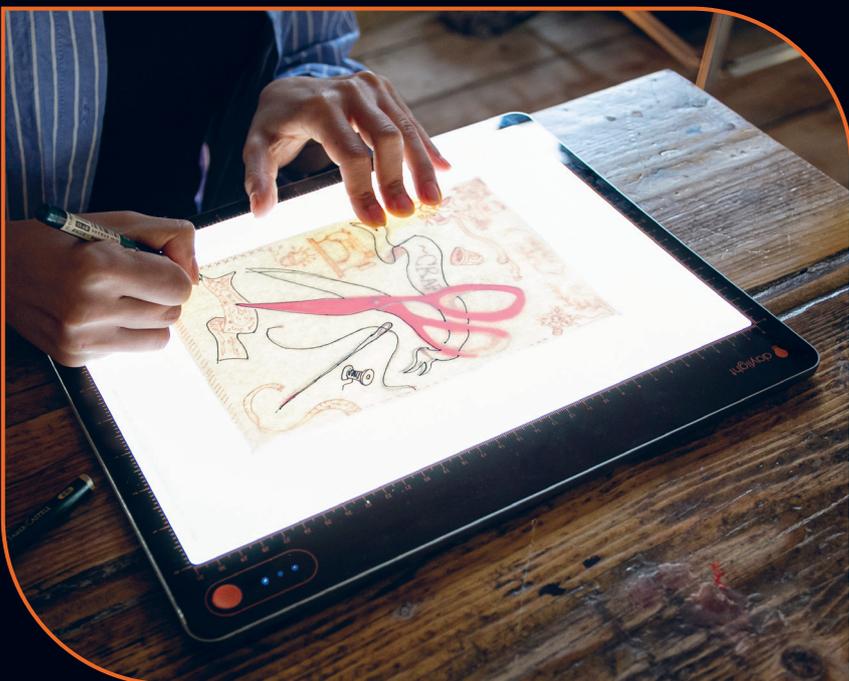

EDGE-TO-EDGE ILLUMINATION

Premium LEDs provide ultra-bright, edge-to-edge illumination for optimal visibility and uniform lighting

PRECISION RULER GUIDES

Illuminated ruler markings in both inches and centimeters built into the tracing area for high accuracy and fine details

ADJUSTABLE BRIGHTNESS

3-step dimming allows seamless brightness adjustment to suit a wide range of materials and creative tasks
