ARTIST & DRAFTING LAMP

U36000

Fact Sheet

The only lamp on the market that was truly designed for mounting on an easel and attaching to a drafting table, drawing board or a workbench. It comes with a universal Easel Clamp and a Table & Drawing Board Clamp for moving it from your easel to your drawing station. The arm provides 360° shade rotation and 320° swivel directs the light to the specific area you are working on for close-up precision and attention to detail. Simply change the color temperature to suit your preference.
