STAND, MAGNIFIER & CHARTHOLDER

Features Sheet

## QUICK & EASY ASSEMBLY

Assemble the stand in less than a minute, with only 3 parts making setup simple and hassle-free

## SECURE FRAME SUPPORT

Features a strong jaw and an adjustable mounting bar to hold frames up to 26" (66cm) securely in place

## 360° ROTATION

Unique swivel system allows for easy 360° rotation of frames, enabling effortless access to all areas of projects

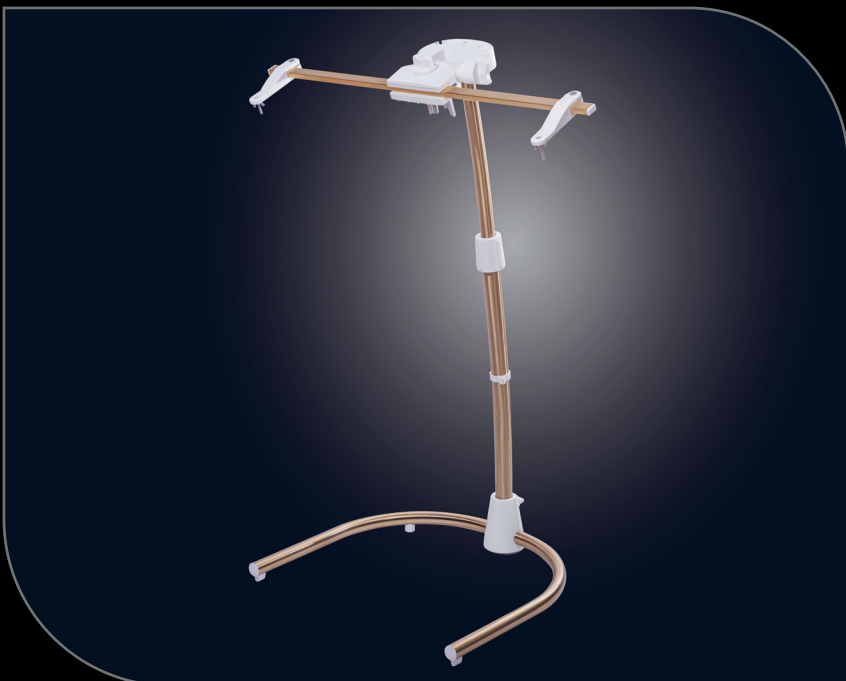

### SEE TRUE COLORS

The Magnifier Lamp features 6,000K Daylight LEDs, offering 95+ CRI for natural, bright lighting that ensures accurate color matching

### FLEXIBLE POSITIONING

36cm (14") flexible arms allow precise adjustment of the magnifier and chartholder for the perfect positioning

### ELEGANT DESIGN

Finished with a brushed brass finish combined with ice white accents for a stylish and modern look
